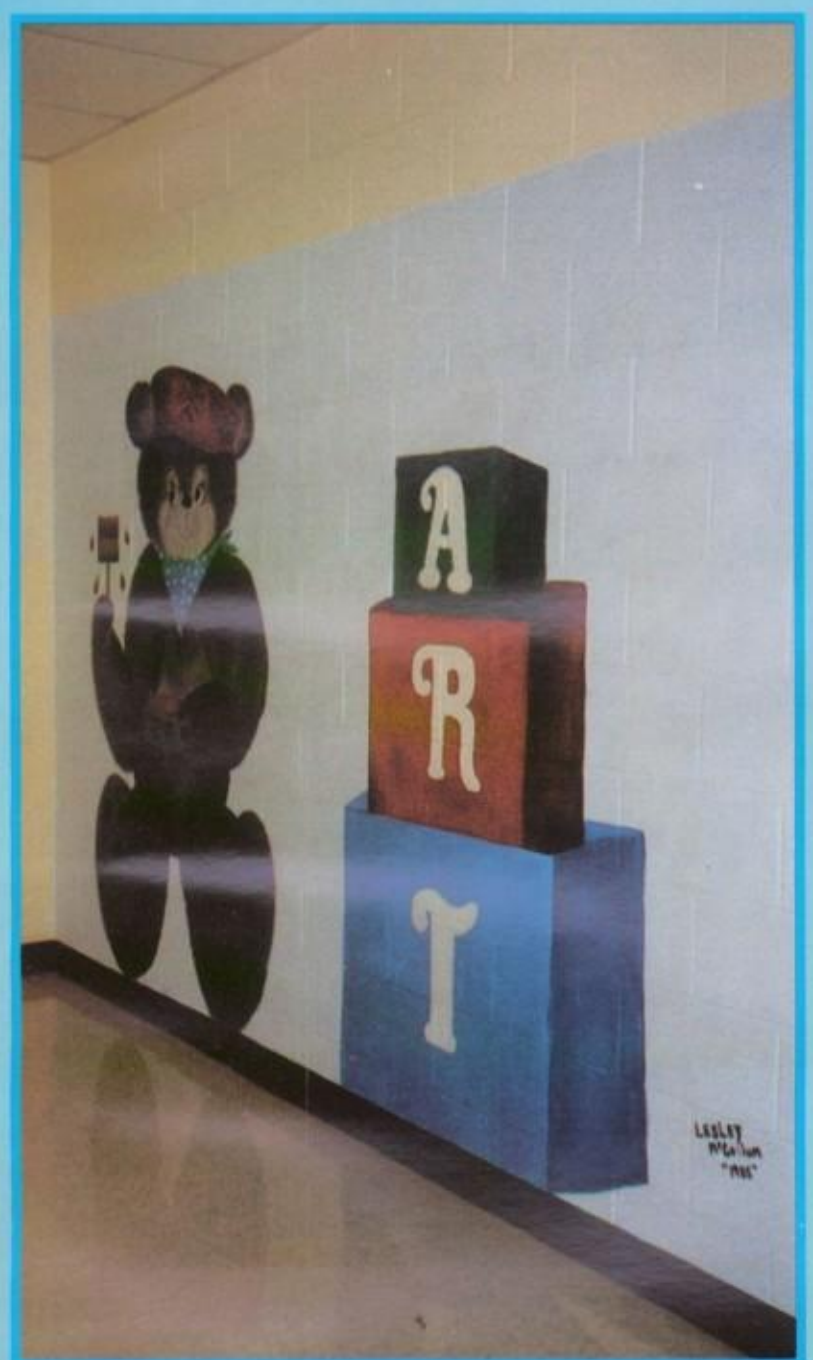
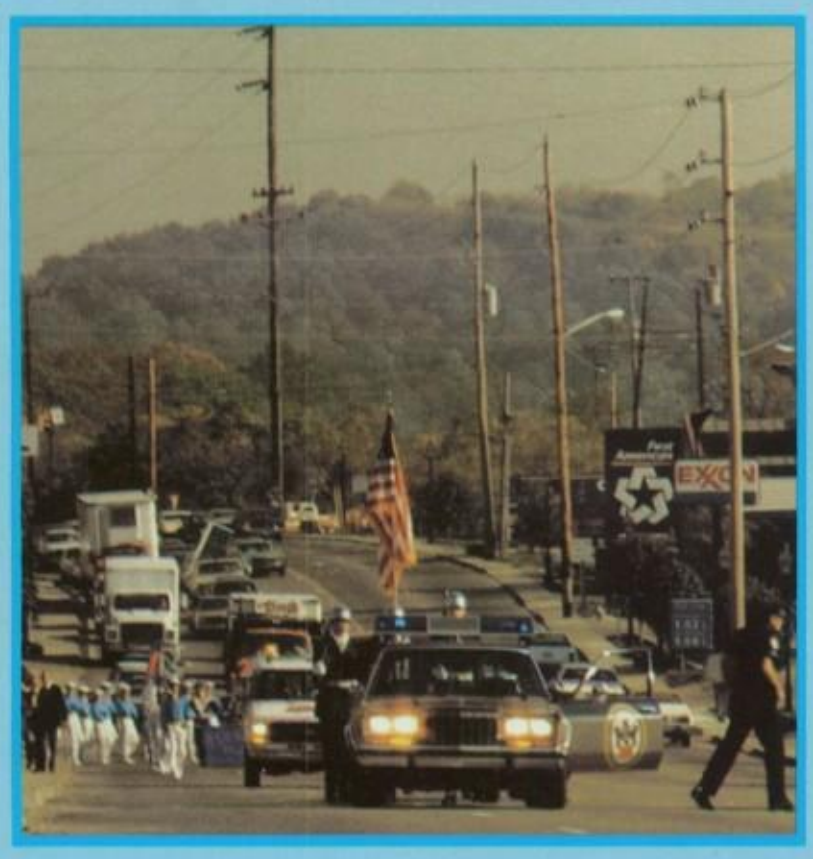
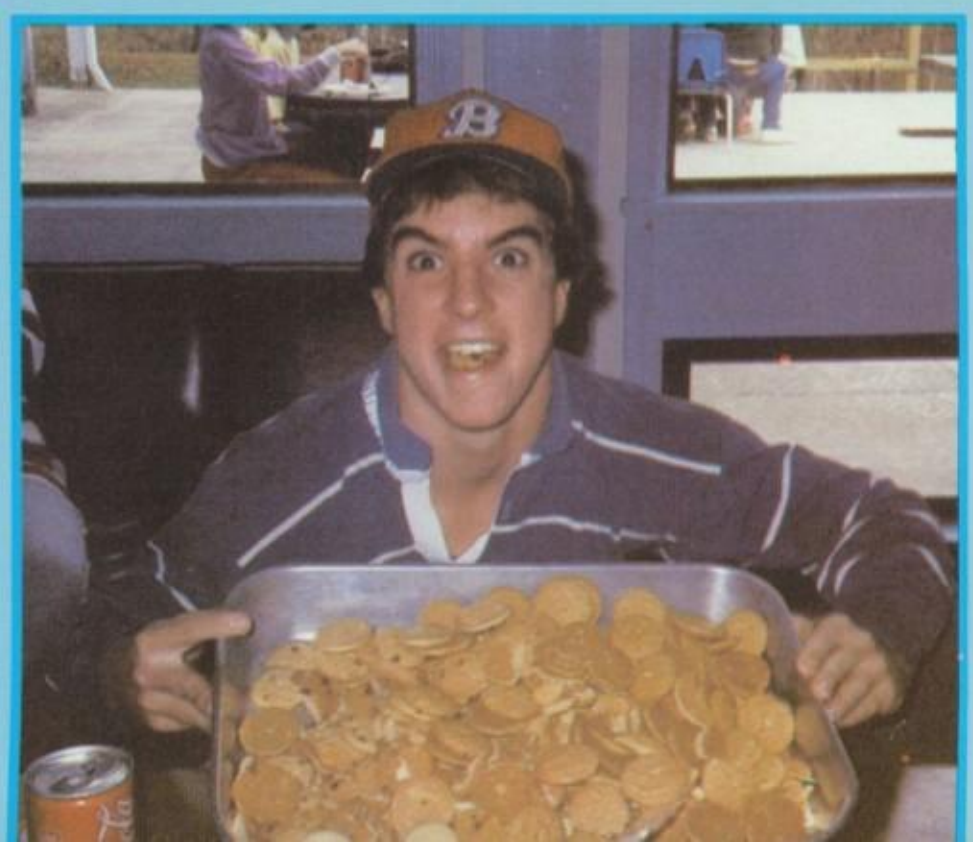
BHS has many faces. They laugh, cry, shout, and cheer at school functions and outside activities. Freshmen are enthusiastic at pep rallies, the band plays in a victory celebration, and friends share a thought during lunch. Todd and Chris "get down" at an assembly, and a distinguished group of school supporters make a presentation at the dedication of the new stadium. The faces express excitement, as well as boredom, showing the variety of people and backgrounds that make up BHS.

Their days begin in the classroom, but students of BHS participate in many other activities. The Village People and the Belmont Reasons entertain us, and the percussion section spends long hours practicing for perfection. Brad enjoys a snack on a church retreat . . .







. . . Mr. Pauley encourages the football players, and senior guys show their spirit. Art programs and cheerleading are activities many students enjoy. The city of Brentwood continues to grow and change, and its students at Brentwood High set a fast pace of activity and learning.

The lives of students exist in many places beyond the classroom. Busy days are filled with outside activities, which include work, play, dates, church, athletics, and many others. Friends spend time together going to concerts, studying, or just hanging out. All these events together create for each student a unique individual lifestyle. Student life.

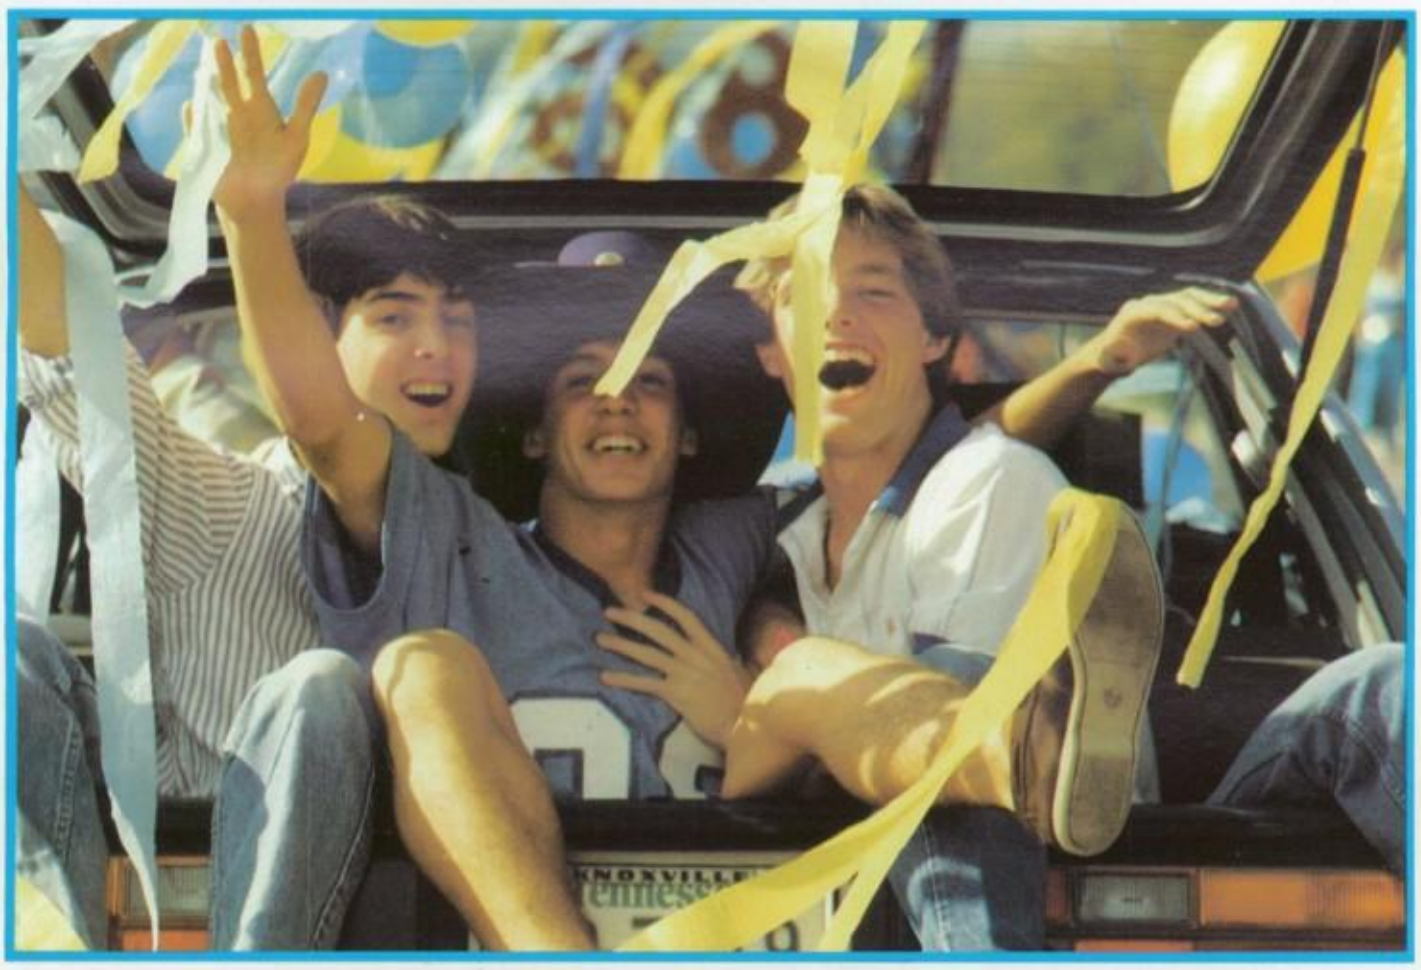
STUDENT LIFE

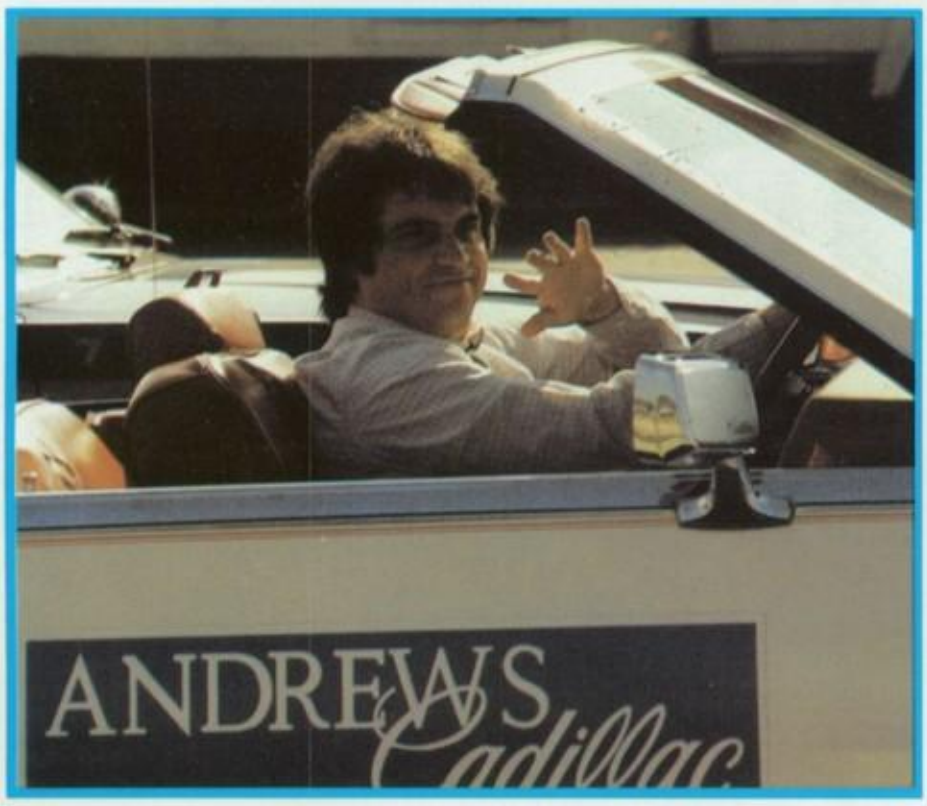
The winner of the 1985 float competition was the Freshman Class. The floats were judged by members of the community. Parents, children, and various other onlookers cheered the parade on as it marched down Franklin Road. This year, as always, the class of 1986 upheld their tradition of not placing first in the float competition.

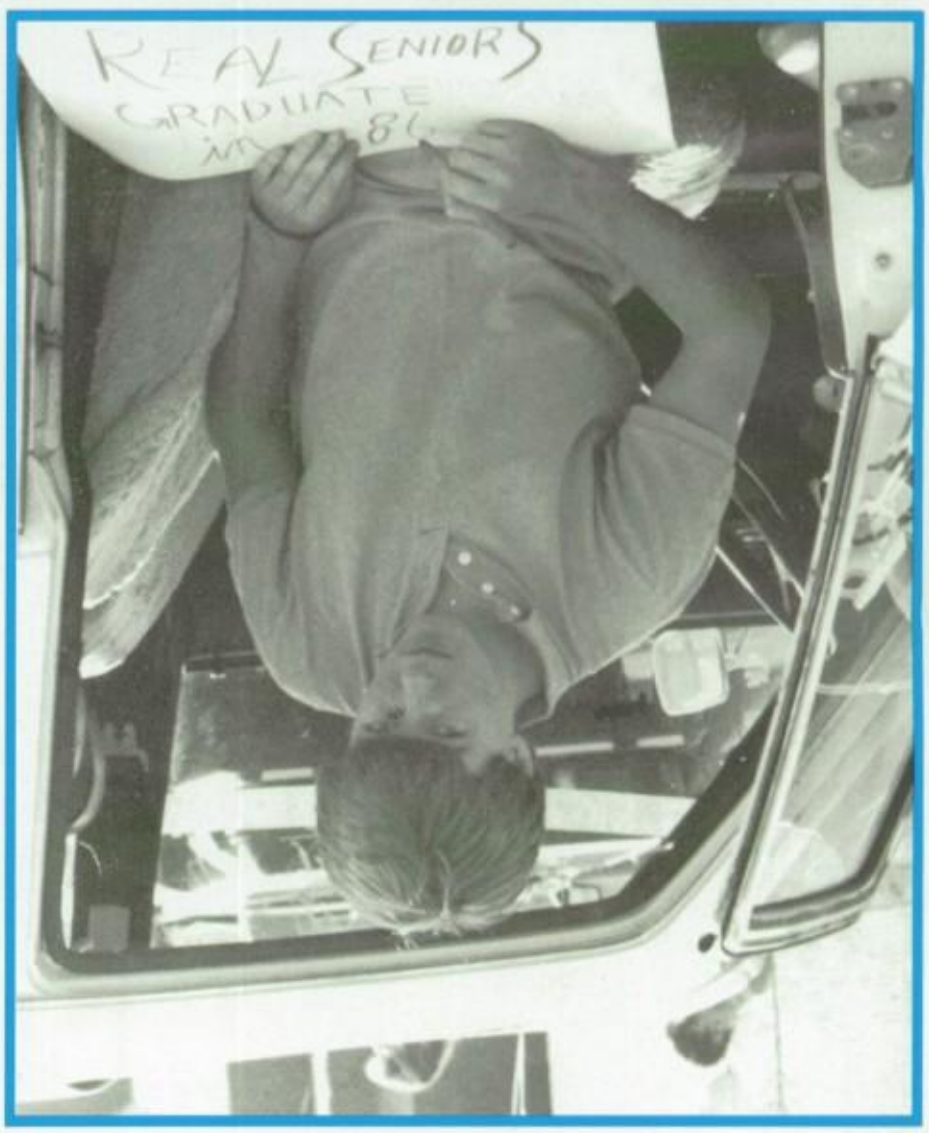
HOMECOMING '85

At halftime of the football game Heather Ellsworth, Senior, was crowned the Homecoming Queen for 1985 by Amy Smothers, 1984 queen. The court included Paige Trimmer, Senior; Amy Stirsman, Junior; Amy Ross, Sophomore; and Cheryl Dankesreiter, Freshman.



The football game was a match of forces from BHS and Battle Ground Academy. Previously undefeated, the Wildcats were considered an excellent team, but the Bruins pulled together to gain a Homecoming victory, beating the Wildcats 14-0. A dance, sponsored by the Honor Society, followed the game. As usual, many students remained only long enough to have their pictures taken before going out to dinner.



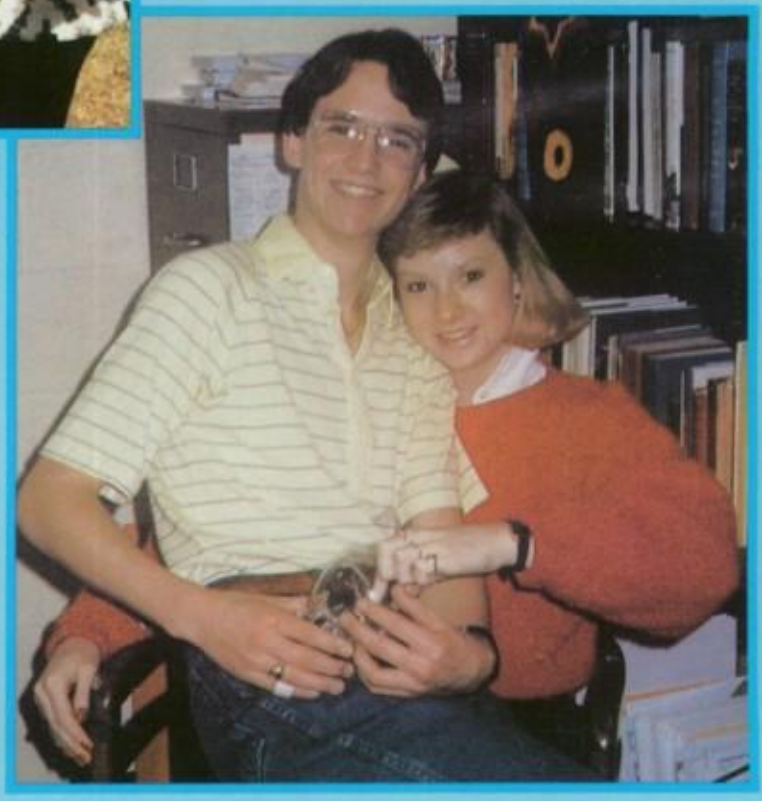


. . . any way they can, even upside down.

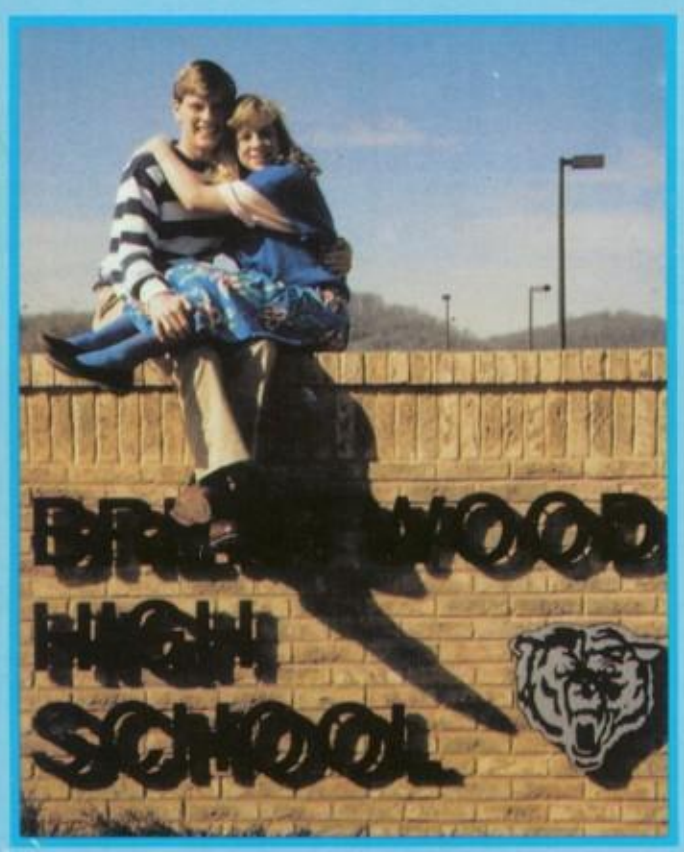
HOMECOMING '85

JUST FRIENDS

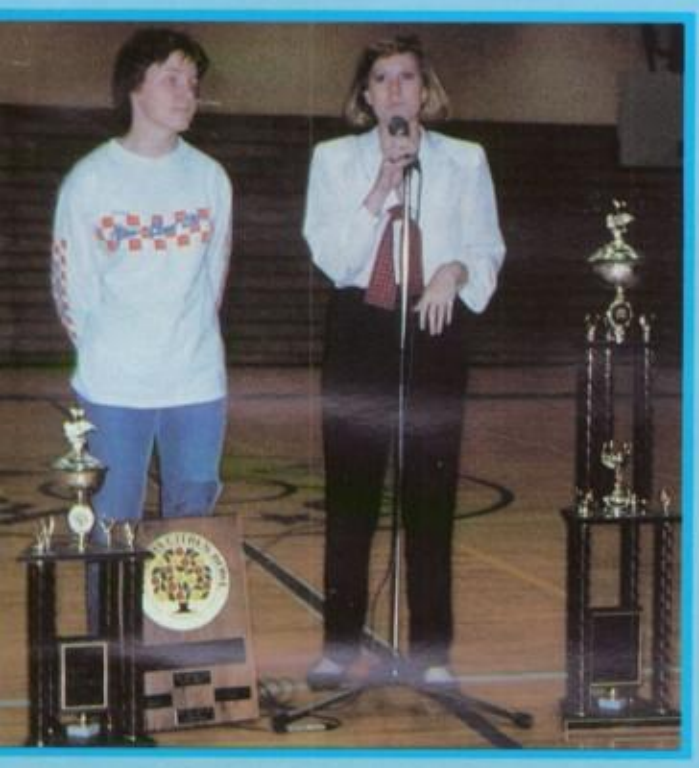
Jealousy all too often rears its ugly head in romantic relationships between girls and guys, but usually finds it difficult to put a damper on boy/girl relationships that are purely platonic. Seniors Suzy McClean and Rob Soriano have grown up together. They both are four year members on the swim team and enjoy spending time together just as friends. "Suzy is like a little sister to me." says Rob. Sean and Melanie have also grown up together. They enjoy taking walks around the lake just to talk. "Melanie and I talk out all our problems." explained Sean. Todd Wiggins' situation is a little different, his best friends are four girls, Missy Grant, Tracy Newman, Angie Grizzle, and Kaye Yealy. They can always have fun together, even if nothing is happening. Although boy/girl best friends are convenient in many situations, often the true reason is simply a strong sense of commitment to one another.



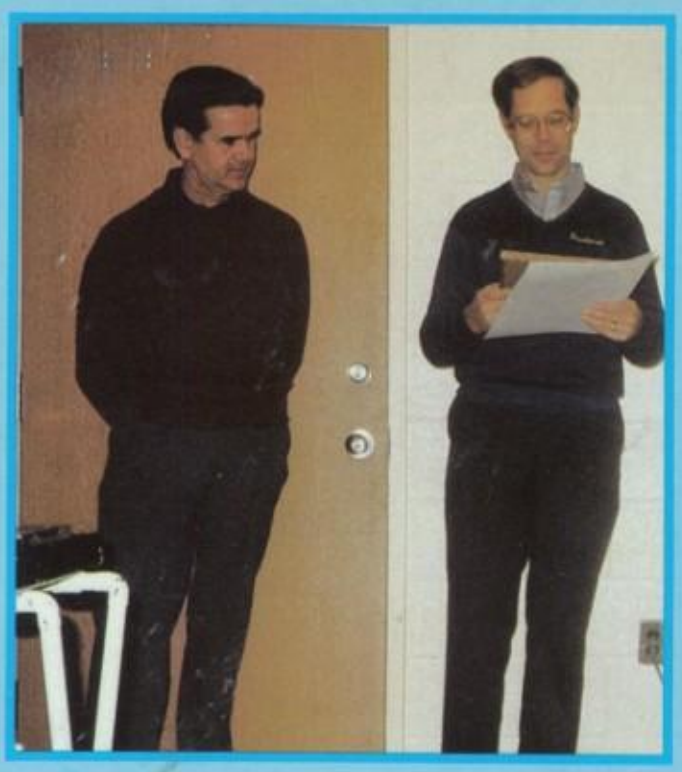
Freshman Christian Clymer finds it easier to confide in classmate Amy Fugate, than in other friends, as does Junior Peter Lyons with Kris Haglund and Sophomore Darcy Fogelberg with Chip Bryant.



BAND MARCHES TO NATIONAL TITLE

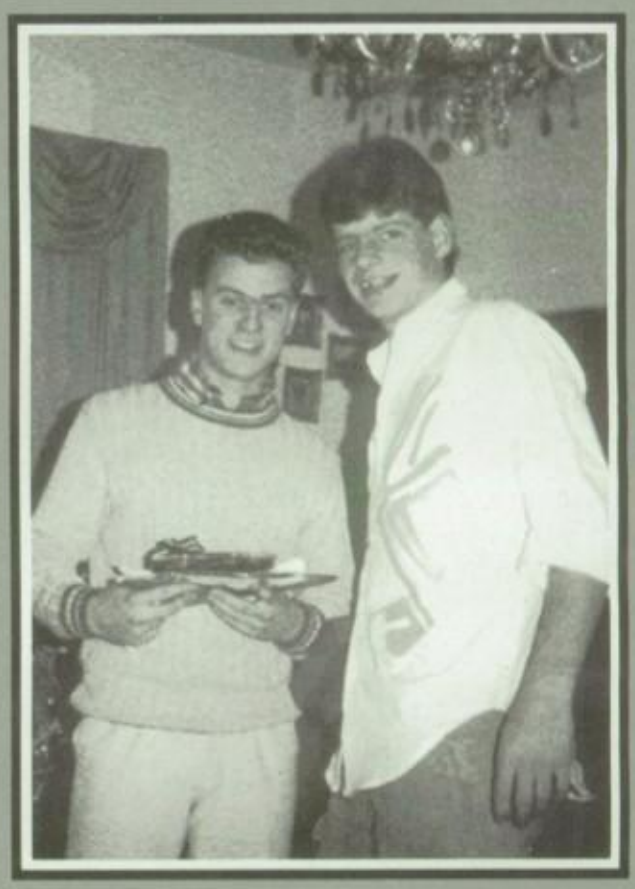


Brentwood High was well represented in December when the BHS Marching Band participated in two national contests in Florida. The seven day trip included visits to Epcot, Disneyworld, and Seaworld. On December 27, they performed the show at the Citrus Bowl Grand National Championship contest. The Bruins came away winners, capturing the title of Grand National Champion, as well as "Most Outstanding Guard." The band also competed in the Tropicana Regional Band Championship, taking second place in that event. They received the honor of leading the Citrus Bowl Parade, receiving nationwide television exposure. Back in Tennessee, the band was escorted to BHS by fire trucks, police, and state troopers. They received a warm reception by a large group of parents, city officials, and fans. The entire community joins together in congratulating the band for its fine achievement this season. Brentwood is proud of you!

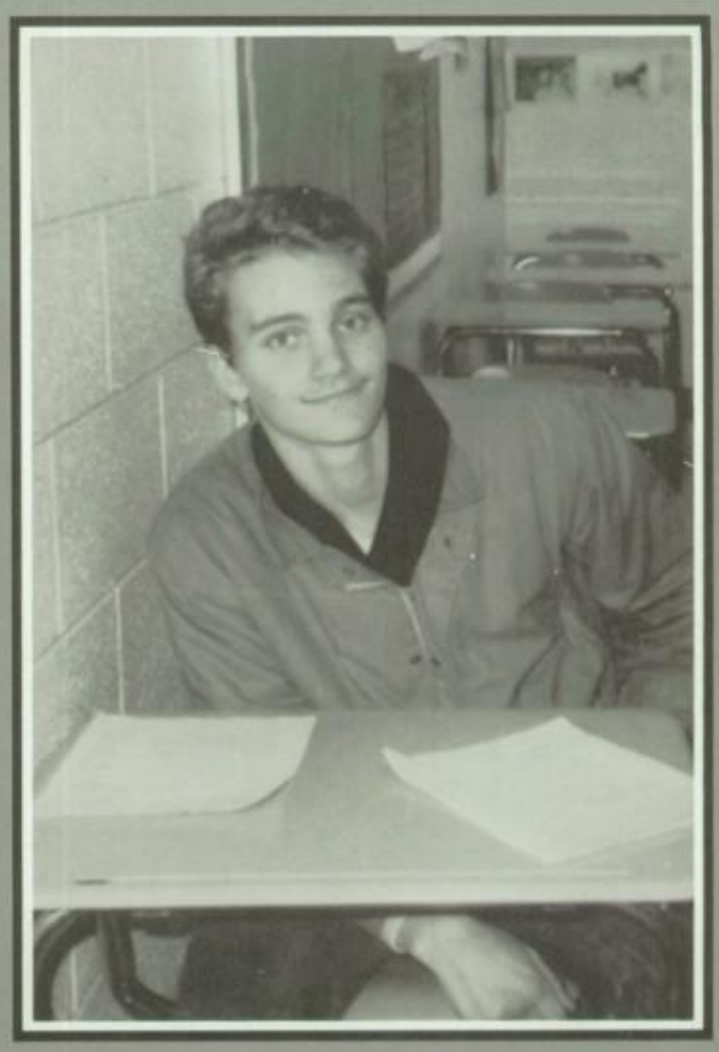


EXCHANGE STUDENTS

Xavier Gerardin is an exchange student from France. He has participated in cross country, swimming and track. Xavier spent his year in America living with the Moore family. The Moores got involved in the exchange student program through their son Jay's French class. They have a family interest in people of different cultures and wanted a foreign student to be able to go to school in America. Xavier learned of the program through an advertisement in a magazine. He also got involved due to his wish to discover a new culture, to learn English, and to see the United States, the "Dream Country." Xavier's favorite memory of America is "all the fun that we can have at BHS."



Hans Winther is from Svendborg, Denmark. Hans wanted to come to America to see if it was really like what it is in the movies. He also wanted to learn more English. Hans has been staying with the Murphy family. The Murphy's son, Andrew, had a great experience as an exchange student in Poland so they decided to help other students have the same experience. From their year with Hans, the Murphys have learned how alike people of the world are. They have enjoyed the experience of having an exchange student and recommend it to everyone. Hans says the opportunities in America are much greater than in the rest of the world. He has not only learned from the American way of life, but also from his schoolwork, especially his U.S. History class. One of Hans' favorite memories of America is "all that junkfood."



SHARE CULTURES

Henner Janzen is an exchange student from Berlin, Germany. He has been involved in the soccer program, the BHS Network, and the Latin Club. Henner has lived in America for one year with the Hill family. The Hills learned of the exchange program through a friend and Henner learned of the program from a teacher at his school in Berlin. Through the experience of having an exchange student, the Hills have learned of different customs, family traditions, national pride, and how alike we all are in this world. Henner's favorite memories of America are the extremely nice people and the good organization at BHS. "America is great, and I think I am not here for the last time."

Camilla Werner is from Gothenburg, Sweden, and has been a member of the Art Honor Society at BHS. Camilla got involved in the exchange student program because she wanted to learn the English language better and, also, due to the encouragement of her parents. Camilla has been living with Fred and Mary-Anne Parker during her stay in America. The Parkers feel as though they finally got a daughter, even if it was just for a year. Camilla has many wonderful memories of America. "Most of all I will remember my friends and all the fun times we had together. This includes dancing classes, concerts, wonderful snow days, and our dog, Sam."

BRENTWOOD'S FINEST

"I believe that a winner is not necessarily someone who breaks a record, wins a gold medal or makes an All-American team. Rather a winner is someone who lives up to his or her potential, who becomes the very best that he or she is capable of being," states Coach Tom Fay. These qualities, characteristic of a winner, were present in every Bruin swimmer. This became clearly evident as the Bruin swimmers walked away victorious after the 1986 State Swim Meet. Brentwood High School received proclamations from Williamson County and the City of Brentwood addressing the B.H.S. swim team. These awards were presented to the team at the athletic banquet.

Winners — living for today,
dreaming for tomorrow,
learning from yesterday.

Tom Fay

Suzy McClean is a fierce competitor, yet full of joy, enthusiasm, and love. Her contagious attitude was a positive factor in the success of the Bruins Swim Team. In honor, the Suzy McClean Leadership award is to be presented annually to a member of the swim team who displays outstanding team spirit, tremendous enthusiasm, and generous sportsmanship.

SHINE THROUGH

Gubernatorial candidate and 1986-87 Student Body President Tom Eubank.

Any student who attends Brentwood High School should consider himself a winner. There are many students who receive awards or make outstanding achievements in or out of school and are not recognized for their efforts. These fine students deserve special recognition for their hard work.

Thomas Harwood Eubank III, has been involved in Youth in Government for the past three years. Tom has held such worthy positions as Vice-President of the 1985 Model United Nations and received the Gubernatorial nomination for the Middle Tennessee District for the 1986 YMCA Youth Legislature. Tom's success in Youth in Government is also evident through his appointment to the position of 1986-87 Student Body President.

The Brentwood High School Band has won awards for many years. But several of these fine musicians have achieved high honors. Deanna Clark, Bill Macurda, Ann Loree, and John Bailey have all been chosen as players in Tennessee's Mid-State and All-State Bands.

The 1985-86 Forensics Team has put in long hours of hard work. But work that has allowed eleven members to go on to state competition. Congratulations!

Tiffany Lloyd has long been a natural beauty, as was proven when she participated in the Tennessee American Coed Pageant. Tiffany competed against over one hundred young ladies and was presented with the title of third runner-up, a well deserved honor.

All-State and Mid-State Band members John Bailey, Ann Loree, Deanna Clark, and Bill Macurda.

FORENSICS TEAM — David Cox, Lori Gilbert, Darby McClendon, Jim Dorsten, Elizabeth Grout, Sarah Qureshi, and Curt Butler.

THE GREED for the GREEN

Many BHS students have joined the work force. They flip burgers, make and deliver pizzas, sell clothes, ice cream or movie tickets, and hold many other varied and interesting jobs. They work after school and on weekends to save a few bucks for college or a car or just to have some extra spending money.

Distributive Education students leave during the school day in order to get extra on-the-job experience.

Each working student is dedicated to and responsible for holding a job, attending school, and still having time for fun — quite a job to handle!

THEATRE BRENTWOOD
PRESENTS
OUR TOWN

The "Our Town" cast takes a bow as the enthusiastic audience commends them for a great performance.

"Our Town" is a play by Thornton Wilder that focuses on the routines of daily life. Life and death are encompassed in a broad picture as time passes by. Wilder suggests through his play that "our town" exists everywhere, and the clues he gives indicate that the human emotions and circumstances of every individual play a part in the neverending cycle of life and time.

Jim Hollinger portrays George Gibbs in "Our Town."

Sally receives a hug for terrific acting.

"This year's production was the most successful to date, and continued to build the tradition of excellence which Theatre Brentwood has established in the past two years."

DEDICATION

The Annual Staff proudly dedicates the 1985-86 annual to our principal and friend, Mr. James Parker, for his outstanding loyalty and commitment to Brentwood High School.

Mr. Parker, known throughout Brentwood as the "Head Bruin", views his position at BHS as more than just a job. Very few principals seem quite as dedicated as Mr. Parker. Brentwood High has become a second home for him, as his truck can almost always be seen even when the rest of the parking lot is empty.

He is always present at school functions, activities, and athletic events. He regularly cheers students on, rarely missing any event ranging from band contests to forensic tournaments. He attends academic and club banquets, always representing Brentwood High with enthusiasm.

Mr. Parker, because of your constant display of support of our school and our education, we thank you and wish you luck for the coming years.

Brentwood High is not only a building of brick and mortar, but an institution for experiences in book learning and social behavior. The empty building is not complete without the life that people breathe into it. People of all nationalities and backgrounds attend, together forming a nucleus for the common goal of learning. The people — a school's reason for existence, make it a worthwhile experience.

CLASS OF 1986/REFLECTIONS

Four years have gone by since the class of 1986 entered the halls of BHS. For some, they have been long years, full of struggle and hard work. For others, high school has been busy and full of fun. For all, they have held memories of friends, dates, prom, parties, homework, anxieties, fears, hopes, and dreams. Graduation is over, and life's challenges stand open and inviting. Go forward with confidence, but hold on to the memories. They go on and on . . .

I, Scott Corley, being of decayed mind and skinny body, leave John Boucher my good looks and shooting ability because he needs both desperately. I also leave anyone my T. S. shoehorn to anybody who has guts to repeat the act.

Warren G. Pledger wants to leave all of next year's students: a roll of toilet paper, a stack of hall passes, my missing Hendric picture, all Greek literature, a bowl of Captain Crunch, a Led Zep album, Mr. and & Mrs. Beachboard, the Quaker Oats man and Robert Fripp. To Hunter Gee and those guys he hangs around with, I leave my Samuri tail and face paints!!

I, Joy Kirkland, being of abstract mind and small body, do hereby bequeath to Ashley Householder my extreme height, in the hopes that she might someday be able to stuff people in basketball. I also leave to David, Chris, and John my love of life and laughter, that they might someday go as far as their dreams can take them.

I, Stephen Cook, leave the Gordon twins a REAL personality. To David Williams, my knowledge of soccer, so that he may be a real coach someday. The girls soccer team, my playing ability so they can win. To Chris Cook, a real pair of lips and to David Hollis, my Real Senior Tolerance Level.

I, Angie Grizzle, being of overworked mind and tired body leave to the Lady Bruins basketball team the love of a challenge, to the guards I leave many "wing shots" I never took, to all loyal "Days" fans I leave my ability to get home in time to watch continuing saga, and to my friends I leave my love and appreciation for the things we've shared.

We, Henner Janzen and Xavier Jerardin, leave our clippers and our talent as barbers to a new generation of Seniors which we hope will appreciate the new European hairstyle. To the ones who disagree with this new fashion we leave our ad-

AND TESTAMENT

dresses so, if they change their minds, they may send us an SOS!!!

I, Ann Loree, being of exhausted mind and body, do hereby leave the uniform room to John and Bean; to Deno, Renee, Beel, and David the ability to fork Coach Shapiro; to Julie Westfall the ability to identify Marlise's jewelry; and to David Williams the band presidency. Keep the "family" together and show them what pride is all about.

I, Suzy McClean, being of crazy mind and wanky body, leave Chip Bryant a pair of underwear; Holly Carter my favorite quote "Cool Beans"; my love and luck to the swim team. My doors wide open in Colorado to anyone who wants to come skiing with me, and I don't leave Sean because he goes where I go.

I, Chip Durham, being of no mind and godlike body, leave all my Spanish knowledge to Stacey Patrick in hopes that she'll take Spanish III; all three of my Accounting workbooks to Mr. Wade, and all my roadtripping memories to Nub. To all shy underclassmen, I leave my inability to ask out Karen Keating, though God knows I tried!!!

I, Missy Grant of unsound mind, leave my extraordinary ability to be "sociable" on swim trips and my suit to Holly Carter. To Jimmy, Amy, Crista, and that gang, good luck with your Senior year, and to my brother Howdy, the ability to let his dreams carry him wherever he wants to go.

I, Holly Renee Smith, being of wishful soul do hereby leave to Tonja, my loving sister, more "happy" times at the cabana, many exciting college visits, and most of all Brentwood High School. To Kelly, a dear friend, I am leaving an open welcome to our home and Nelda. To Mrs. Linda Yarrell — many successes with the choral department. Good luck.

I, Heather Ellsworth, being of underdeveloped mind and developed body, leave Leigh Reed all my superb study habits so she can graduate. Oh, and Jennifer, we've had our times but you're the best sister ever! I'm gonna miss having you at school with me. I'm leaving you, along with my room, all my love and best wishes.

I, Chantelle Walker, being of somewhat large body and minute mind, leave to Pam and Sue my BGC love. To Lori my ability to play soccer (J.B.) and our memories of the "bodacious red machine." To Bowen, ability to stay awake in Psych. Golly Sarge — I love those dogs seen around midnight. To the Senior Class — best of luck; I love you all.

I, Maria Reyes, being of sound mind and body, leave to Jennifer (Me II and twin) a secret place and to Jen, Holland, and Linda new Mamajenlin and Vivarin partners. To Christi, I leave Jamaican cigarettes and the ability to enjoy her pictures as much as I. Last but not least I leave all my love *to Monica and Michael.*

I, Melanie Cunningham, leave to Gilligan the right to "anganize" anyone he wishes; to Deno, the right to "ipe,ipe"; to Mr. T. Williams peace and quiet and the chance to grow his hair back; to Mr. Long, the right to be a great granddaddy. To Jack and Pickle, I leave all of our memories, tears, and all my love. (I'll miss you!!!)

I, Teri Partain, being of hopeful heart, I leave my sister Amy many more good times than I had as a member of this wonderful learning establishment. And Amy through all the stupid rules and the pressure, please keep in mind that one day they *will* let you out.

I, Paige Trimmer, leave Jennifer Junier the title "Work Horse"; to Jaye my love and the "Market Place"; to Chris Tillman a wish for a Great Senior year; to Mrs. Combos and Mr. Wade, a handful of "thanks"; to Brad, S.C., my English notes, and to Carol, Shannon, and Kelly — a place in my heart forever. I love you!!!

I, Mary Niznik, being of sound mind and short body, do hereby leave all the best and all my love to Maria, Holland, Linda, and Jennifer. Mamajenlin lives!!! Hey Lori, "What drive-thru?" And to Carrie and Amy Ross, thanks for all the fun times you've given me to remember (snorts) — I love ya'll!!!

I, Susan Hill, being of laughing mind and unstable body, hereby leave the girls' basketball team the sense of humor to deal with it. To A.P. I leave "my heroism." And to all the upcoming seniors the hope they do not have a "K.H." And to all graduating seniors — all my love and luck!!! We're out; let's party!!!

I, Lisa Cook, leave my 1001 excuses to skip lunch to any BHS student brave enough to use them. To Tip and Darren, my accounting answers and to Marti and Kelly — all my love.

I, Pat Day, being of no mind and small body, leave what little maturity I have to Matt Corbin, Phil Caple, and Eric Howell. My wit and obnoxiousness to the class of '87; my tidbit of common sense to Nicki Francisco and Stephanie Wilke for they need all they can get. My good looks to Paige Large and my craziness to Mike McIntosh.

I, Christopher Parks, being of small mind but big body, do hereby bequeath the memories and remnants of the "love-nugget" to Pat Q, Howdy, and Brad I. To Eki, I leave my "White Heritage"; Bo, Jimmy H., Troy S. can have all of my issues of "Flex" magazine and the rest of the Junior class can have D.W.

I, Ryan Pewett, being of abused mind and body, leave my entire abused body to the Sophomore and Freshman class because it seems that they get shorter every year. I also leave all my driving and jumping ability to John Issac because I know I don't need to be driving and he needs all he can get. I also leave my sympathy to all who have to endure another year of BHS.

I, Stephen C. Cooke, bequeath locker 196A to anyone who wishes to clean it out. I leave the ability to sleep with one's eyes open for those people taking Physics. And to anyone who wishes it, I leave tolerance to help you get by at this school. Also a book entitled '10 EASY WAYS TO VISIT CROSIER'S OFFICE.'

I, Tracy Newman, being of exhausted mind and body, do hereby leave the following: to future annual staff members — the ability to never eat in the cafeteria; to Amy, Marcus, Jimmy, Crista, Holly, etc. — good luck and best wishes for a great Senior Year; and to Alice, my "sister," all my love and encouragement for the future.

Top 10%

Twenty-seven seniors qualified as the Top Ten Percent of the class of '86. They were chosen as a result of their academic averages during four years of high school work.

The guidance office determined their grade point averages. For each grade earned, quality points are given. Accelerated classes earn an extra quality point. The grade point average is determined by dividing total quality points by total semester units attempted.

This select group should be especially proud of their achievements. Each student was able to maintain a high academic average while being involved in numerous other activities.

FACULTY

Mr. James Parker, Principal

Although many students don't realize it, the job of a faculty member extends throughout the entire year. In the classroom they guide and instruct us, and outside the classroom they coach us and become our friends. School ends for the students in June, but teachers and administrators must press on through the summer. Plans must be made, schedules must be arranged, and the building and property must be maintained. They put in hours of work and effort in order to be prepared for the next academic year.

The role of sports is a special one at BHS. It unites the students, giving them a spirit of excitement and dependence on each other. For many athletes, their lives revolve around athletic competition. They toil, sweat, and tone their bodies into perfect physical condition. The entire student body can participate in events by cheering their friends on to victory as spectators, and assist the teams as managers. Sports create leisure activities for all types of students, offering an outlet for them to exercise or develop athletic skill.

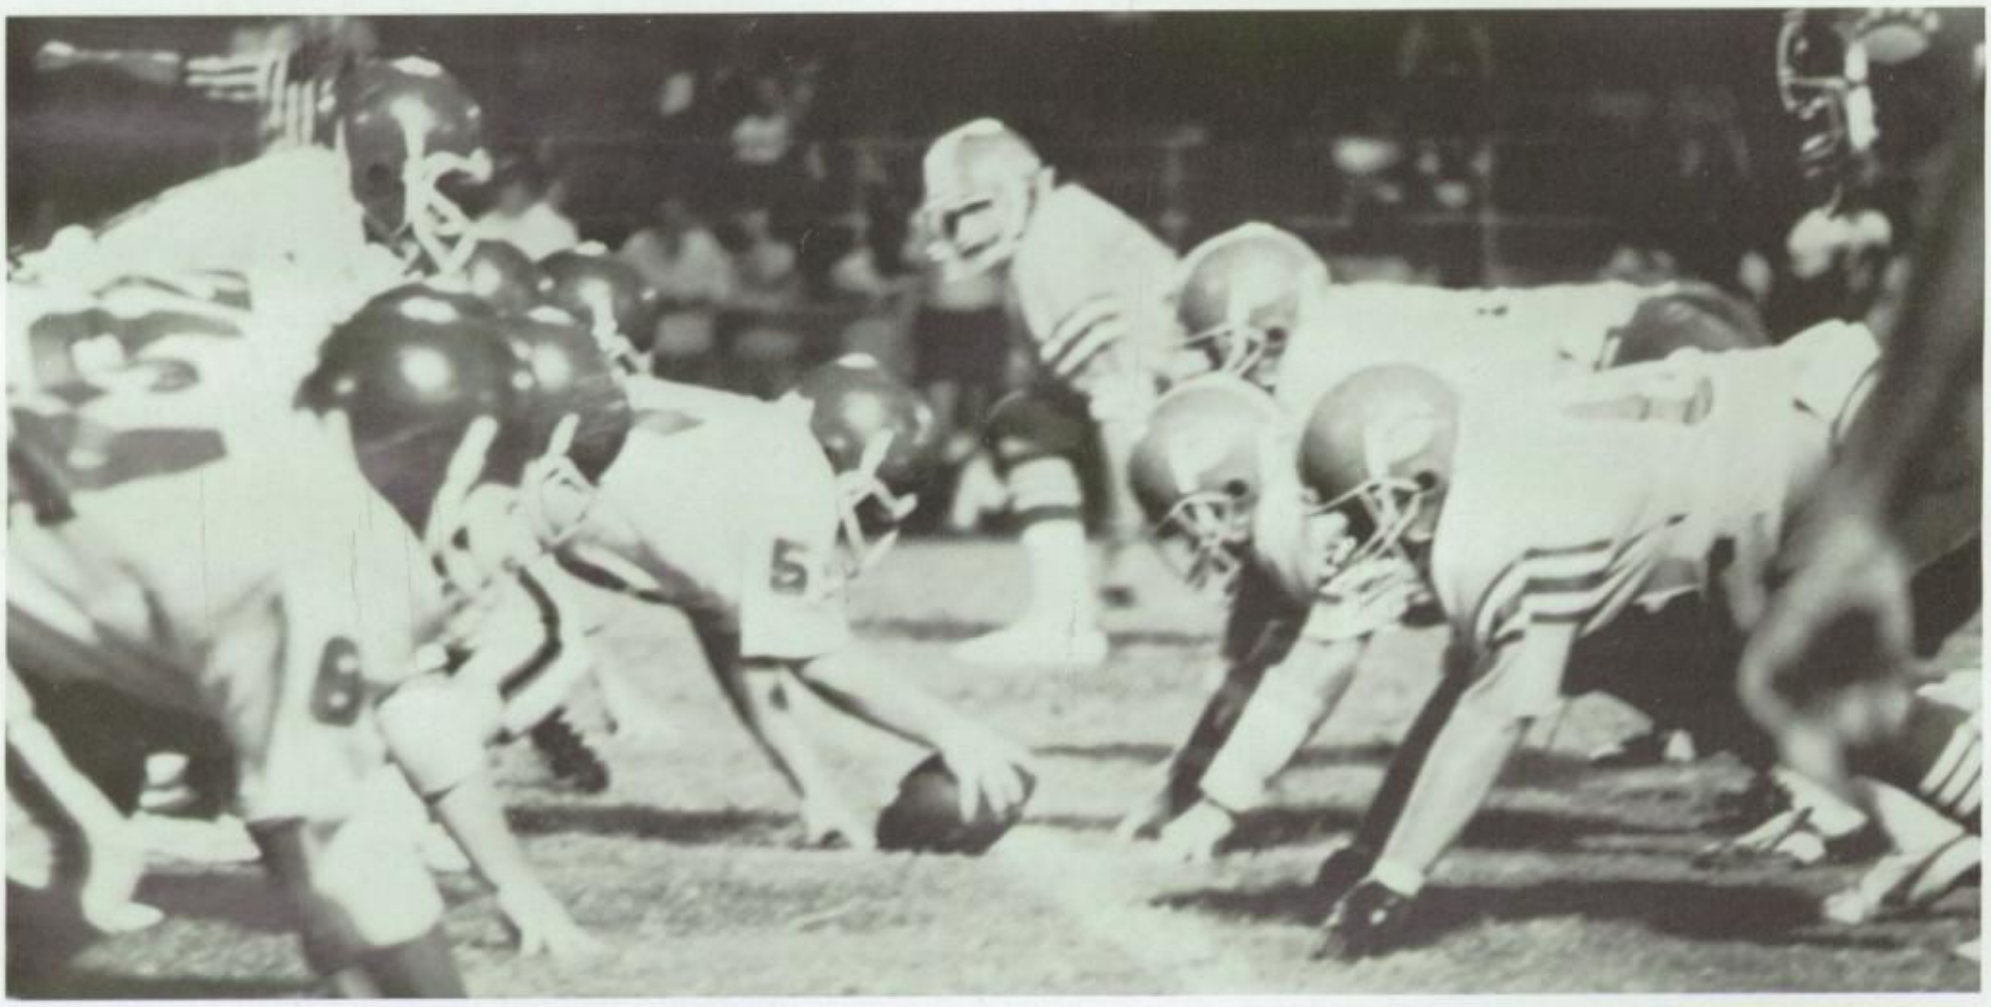
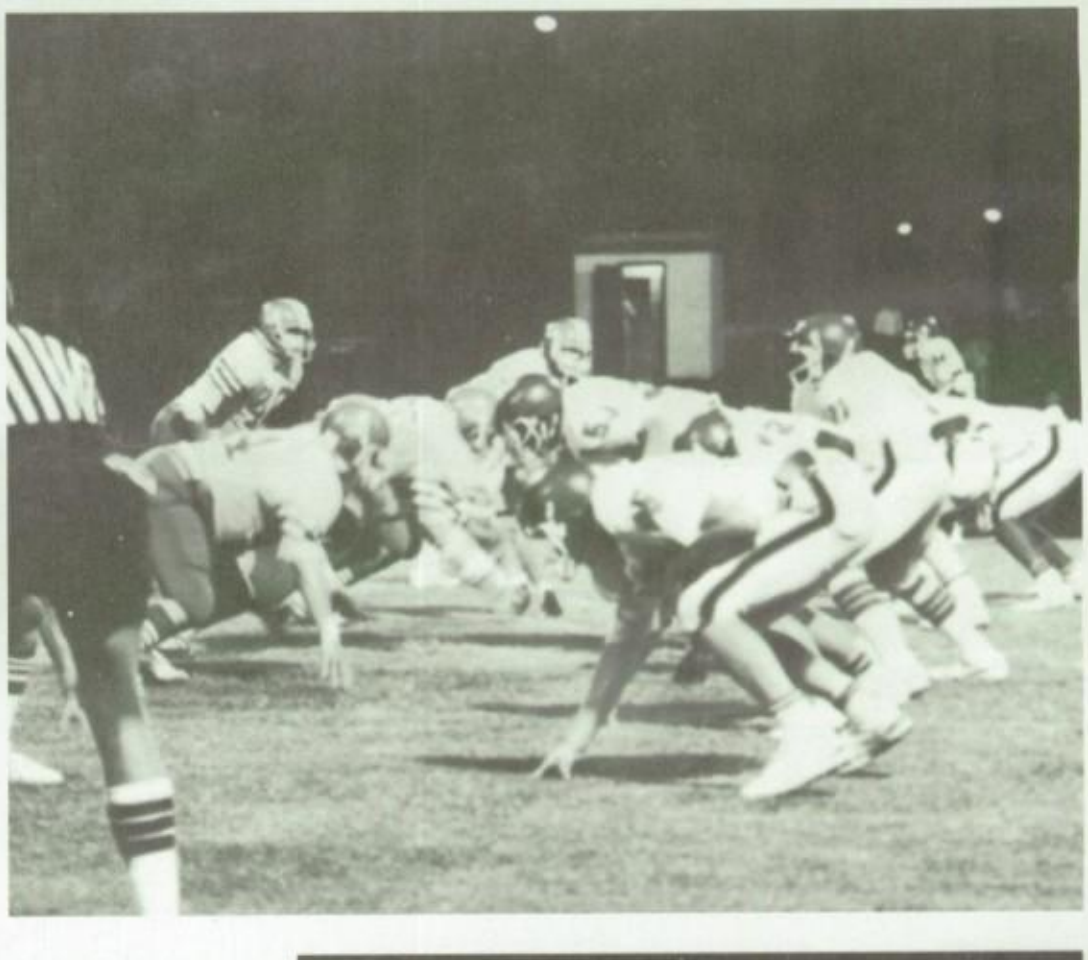
Tackle a New Season



The 1985 football season found the Brentwood Bruins in a new district and a new classification, District 9-AAA. Many "experts" predicted that the Bruins would not be competitive in AAA football and would be lucky to win a single game. The Brentwood football team won three games, against Nashville Glencliff, district foe Beech, and arch rival B.G.A., undefeated until the Bruin game.

The team lost a heartbreaking one point double overtime to Hendersonville and one touchdown games to Hillwood and Smyrna.

NO PAIN . . .



Recognition should be given to all of the team members for trying out and staying with the program during this first AAA . . . as President Theodore Roosevelt said: "It is not the critic that counts . . . The credit belongs to the man who is actually in the arena . . . who strives valiantly, who errs and often comes up short again and again . . . who, at the best, knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."

NO GAIN!!!

"The Bruins never quit during any game and constantly out-hustled their larger and more experienced opponents.

Much of the credit for pulling the Bruins through this first AAA season must go to the seniors; captains Dave Zdeb and Scott Hartman; Brad Lich, Adam Lochmann, Scott Moss, Dave Burgett, Benje Sparks, Channing Waits, Bill Kimberlin, Steve Mennen, Chris Stow, and Kevin Atwood."

The Bruins had an extremely successful year, winning 21 games and playing in the District Tournament championship game.

This year's squad was led by seniors Scott Corley, Carson Dean, Michael Dial, Robbie Johnson, and David Brooks. Unfortunately, Phil Hardeman, a returning starter from last year, was unable to play because of a broken leg. Scott Corley was named unanimous M.V.P. of the district and averaged 26 points a game. Carson Dean also earned post season honors by being selected to the second team All Mid-State Squad.

Significant contributions were also made by many underclassmen. Junior Scott Thompson started at center for the entire season and sophomore Phil Caple cracked the starting lineup in midseason to help lead the team to 8 straight victories. Junior John Boucher also did a job on boards and provided valuable minutes coming off the beach.

"Setting a high standard of future Bruin ball-clubs, this team was an exciting bunch of talented, hustling over-achievers who provided the fans with several thrilling, come-from-behind victories."

LADY BRUINS ADJUST TO TRIPLE AAA

"Girls Basketball teams at Brentwood have a tradition of being tough defensively, scrappy, and never giving up. This year's team was no exception. Even though our record of 8-15 was not all that impressive, we fought every game down to the final horn. We moved up to triple AAA classification and lost six out of our first seven ball players. Needless to say we were very green and did not know what to expect. Sabrina Mott, who became the all time leading scorer and rebounder in Lady Bruin history was the lone holdover from last year. She did a good job of being a silent leader. This basketball team ended up the year by upsetting Franklin, Springfield, and Beech. They were never quitters and next year's team will have a lot to live up to."

Coach Kim Grizzle

THE IMPOSSIBLE AQUA BRUINS

When they started in September, the Brentwood High School swim team set several goals for the season. Two of the main goals were to come together as a team and to do what no other B.H.S. athletic team has done — bring home the state title. The team unity became evident in January, when they beat the defending state champions, Dobbyns Bennett, in a dual meet. Their confidence grew when they placed 5th overall in one of the most prestigious high school meets at Emory University in Atlanta. Having completed these tasks, they knew they had the ability to conquer the impossible dream — to WIN STATE. After many months of hard work, the opportunity arrived. They traveled to Knoxville, and on February 22, 1986, their impossible dream came true. The Aqua Bruins captured the combined state title, defeating teams from all over Tennessee.

After winning District 19 and placing second in Region 5 last year, the Bruins were again a strong contender. The team had many outstanding victories this season against such opponents as Father Ryan and Franklin Road Academy. INTENSIFY THEIR GAME

The Brentwood High School soccer team did very well this season despite coaching changes, injuries, and moving to a higher division. Through these changes, the players came together as a team. A major factor in this year's success was the strong senior leadership shown both on and off the field. Coach Pate describes the seniors as "a group of disciplined and experienced athletes." John Hill, Scott Owens, Kenny Dedmon, John Miller, Ken Wood, William Malone, Tip Sneed, Jonathon Bright, Steve Cook, and Henner Janzen will be greatly-missed.

"In the past three years, this team has supplied me with enough memories to last a lifetime. I'll never forget all the good friends I have made on this team. I feel confident that the winning tradition of Brentwood Bruin soccer will carry on after this year."

William Malone

"This year's team was the best Brentwood has ever seen. Guys like William, John, Scott, Jonathon and Steve have helped carry on the winning tradition at Brentwood which will last for years to come. Playing Goalkeeper for Brentwood High has definitely been a great learning experience."

Kenny Dedmon

ONE TRACK MIND

The 1986 Bruin track season began with indoor meets at Tennessee State University and at Stokley Center in Knoxville. The majority of the pre-season training and conditioning work was completed during the winter months and the track and field athletes who started with the team in December comprised the backbone of the team during the outdoor spring season.

The Bruins without a home track traveled to all of their meets which included the Florida Relays in Gainesville, the Volunteer Classic at the UT track in Knoxville, the Optimist meet, the Clarksville Rotary Club and Triangle Relays in the mid-state area and finally the District 9 AAA middle Tennessee regional and state meets in May.

The boys team was led by captain Doug Scholz, school record holder in the 1 and 2 mile runs. The 1985 state pole vault champ and decathlon runner-up, Scott Hartman, broke school records in the shot, discus, long and high jump and 110 hurdles. Other valuable contributions were made from their teammates.

The girls team captains were Laura Spining and Krystie Slayden. Krystie was a school record holder in the high hurdles. Kaori Saito led the Lady Bruins in the mile and 2 mile runs. Freshman, Beth Bennedict, and sophomore, Alexis Petroski, also made great contributions to the '86 season.

BRUIN'S BATTER UP!!!

At the beginning of the year we had three main goals we wanted to accomplish. The first was to establish a solid foundation for a strong baseball program at BHS. Second was to be competitive in 9AAA. Third we would like to finish in the top four teams during regular season play and place in the top two teams in district tournament.

I believe the leadership provided by the Seniors will help us accomplish these goals.

LADY BRUINS STRIVE FOR REGIONS

Last year the softball team ended up 20-2 and lost four very key players.

This year we have moved up to AAA and everyone except our shortstop is playing a new position. This team can have a very good season because there is a lot of young talent in the team. We have three of the finest pitchers on any one team around. The team's goal is to try to go to the region and win the majority of their games. Softball is a big sport in the Brentwood community and the girls really enjoy playing it.

Academics and clubs are an intricate part of the lives of BHS students. Day in and day out, students attend classes. Some excel, struggle, but all participate in the valuable learning process. During activity period and after school hours, students get involved in many club activities. Service projects, parties, dances, and meetings are all a part of the club network. Brentwood students can be proud of their academic and club accomplishments.

"This year has basically been one of rebuilding the program, since we had a new coach and a lot of new members. However, we managed to once again have a *terrific* year, doing extremely well at districts, qualifying eight people for the state tournament, and having Lori Gilbert qualify for the National Finals. Forensics has been a super experience, and I wish next year's team the best of luck and I hope they have as much fun as we did."

Putting a yearbook together takes more than just snapping candids — it requires months of hard work and dedication by each staff member. Layouts must be drawn, pictures must be taken, chosen, and cropped. Of course, there is always time for fun in the relaxed atmosphere. Somehow, amidst all the laughter, confusion, and deadlines, the annual emerges. If the work has been done well, the book should capture endless memories of the 1985-86 school year.

Mr. Terry Williams, band director, is a very talented musician. A trombone player, he is well respected in professional circles. Mr. Rufus Long, assistant director, is also a noted professional. He is well trained on woodwind instruments, especially the flute. Mrs. Lynn Cox instructs the guard, pushing them on until they can perform their flag routines to perfection. Mr. David Kloss assists at Band Camp, teaching basic fundamentals of marching and instilling a feeling of pride in the band as a whole. Mr. Alan Rice assists in training the talented percussion section. Endurance and precision-like skill must be learned for percussionists to excel. Each instructor is very talented and well appreciated by students, fans, and parents for their outstanding dedication.

The season of a band member did not end when all of the football games and contests were over. During the spring semester, the high school musicians continued to practice their instruments. Private lessons helped build endurance and tone quality, and the band directors chose selections to be played at spring concerts and Pearfest. The bands also attended two concert band festivals. The first was the TBA Concert Band Festival at Austin Peay State University on April 18. The second was the MTSBOA Concert Band Festival at Vol State Community College on April 25. Brentwood continues to excel not only in marching band, but in concert band as well.

LOOKS LIKE WE MADE IT!

Sean delivers the welcome

The Class of 1986 was a class of firsts. First to go four. First to graduate in the stadium. First to wear royal blue gowns. First to experience rain on graduation night.

Baccalaureate was held at Brentwood Baptist Church on Sunday, June 1. The speaker was Bro. Bob Norman, pastor of the Clearview Baptist Church. A fellowship time with family and faculty followed the service, then it was only 24 hours until graduation.

Monday morning, June 2, the seniors enjoyed a breakfast and then proceeded to the stadium for a three-hour rehearsal. At 6:00 that night, they returned to the stadium to begin forming processional lines. Undaunted by the threat of rain, the Class of 1986 received their diplomas. Benje Sparks and Joy Kirkland received the James C. Parker Award.

When it was all over, tears and cheers filled the stadium. Friends and family shared the moment of celebration that came after four years of hard work. It was a celebration of a new beginning, one that the class of 1986 can remember for a lifetime.

IN MEMORY OF

Ben Daughtery

When you walk through a storm, hold your head up high:
And don't be afraid of the dark.
At the end of the storm is a golden sky,
And the sweet, silver song of a lark.
Walk on through the wind: walk on through the rain:
Though your dreams be tossed and blown.
Walk on, walk on with hope in your heart,
And you'll never walk alone. You'll never walk alone!

FUN

When the final tone of the 1985-86 school year sounded, lockers slammed shut with a clang of finality. Students rushed out into the summer heat, and the building echoed with silence.

Students, free for the summer, headed for the beach, the work force, or the swimming pool, perhaps unaware of the knowledge that another year had brought them. Lessons about life were learned through the study of academic subjects, the participation in sports, and the involvement in clubs and activities.

The year had many faces, as did the students and faculty. Each carries with him his own set of memories as he steps forward, saving them to remember the people and the places that made the year complete.
